Is your computer running **slowly**?
PC Tune-ups are my specialty!

I can solve problems with...

- Microsoft Office
- Printers and scanners
- Wireless networking and routers
- Internet browsers
- E-mail
- Social networks
- All versions of Windows
- Macintosh
- iPods, iPads, iPhones
- And much more!

Do you need a **new computer**?

I can help you select a computer that is suited to your needs! I'll even install it in-home and help you sell your old computer!

Ask me about how to **extend the life** of old hardware!

I also tutor!
